Activities:

ORGANIZATION: “EDUCATIVA PLUS“

PROJECT: “We learn English together!”

Project impact:

What is important in this project is rising consciousness for learning foreign languages and understanding the need of it for better competitiveness on the labor market and improving the whole economic situation. All this refers to the adult population with not enough developed social, economic and educational situation. Educativa Plus has implement that with the help of mutual learning (parents and children) as it is known that the children's interest for the language is on a higher level.

PROJECT: “Social inclusion of Roma population in the Republic of Macedonia”

FAMILY LITERACY WORKS FACILITATORS

- **Defectologist**
- **Social Worker**
- **Psychologist**
- **Skilled trainers**
- **Teachers, pedagogists**
- **English teachers**
- **Professional trainers from different profiles**

FAMILY LITERACY WORKS CONCLUSIONS

- In the Republic of Macedonia approximately 7-8 years already this kind of project are implemented and are very much needed for some target groups
- wide range of outspreading this kind of project between the Roma population in Macedonia.
- The implementing organizations of Family literacy projects are mainly nongovernmental, state institutions in wide range and at the end private educational centers.

FAMILY LITERACY WORKS CONCLUSIONS

- **The targets of the projects are mainly improving the children's education from early age through elementary and high schools as well as educating parents for appropriate care and education of their children.**
- **Except the Macedonian population (mostly children), many of the projects includes the Roma population in Macedonia and improving their economic situation.**

FAMILY LITERACY WORKS CONCLUSIONS

Our conclusion is that the future “Family literacy” projects also should implement the same targets because all analyzed projects have positive impact on improving the whole economic, social and educational situation in the Republic of Macedonia.
